Getting Your LISRAYA

Your PAL will confirm with the specialty pharmacy (either Orsini or PANTHERx) that your prescription has been received, and arrange for LISRAYA to be shipped directly to your home.

Your specialty pharmacy will call you to arrange a convenient delivery time. You can speak with the pharmacist if you have questions about LISRAYA and clarify any concerns about allergies or potential drug interactions.

Your LISRAYA will be shipped directly to your home each month.

Why a Specialty Pharmacy?

Your prescription will be filled by a specialty pharmacy that has a proven track record of supporting patients with rare diseases. Your specialty pharmacy will provide your medicine just like a regular pharmacy—and ship LISRAYA directly to your home every month.

Cost Assistance

We're committed to helping you get cost assistance for LISRAYA. Regardless of your insurance, your PAL can help you understand your options and find one that's best for you.
